

OLE DSD APP

JUN 2023 - MOBILE
COMMUNICATIONS DEPT

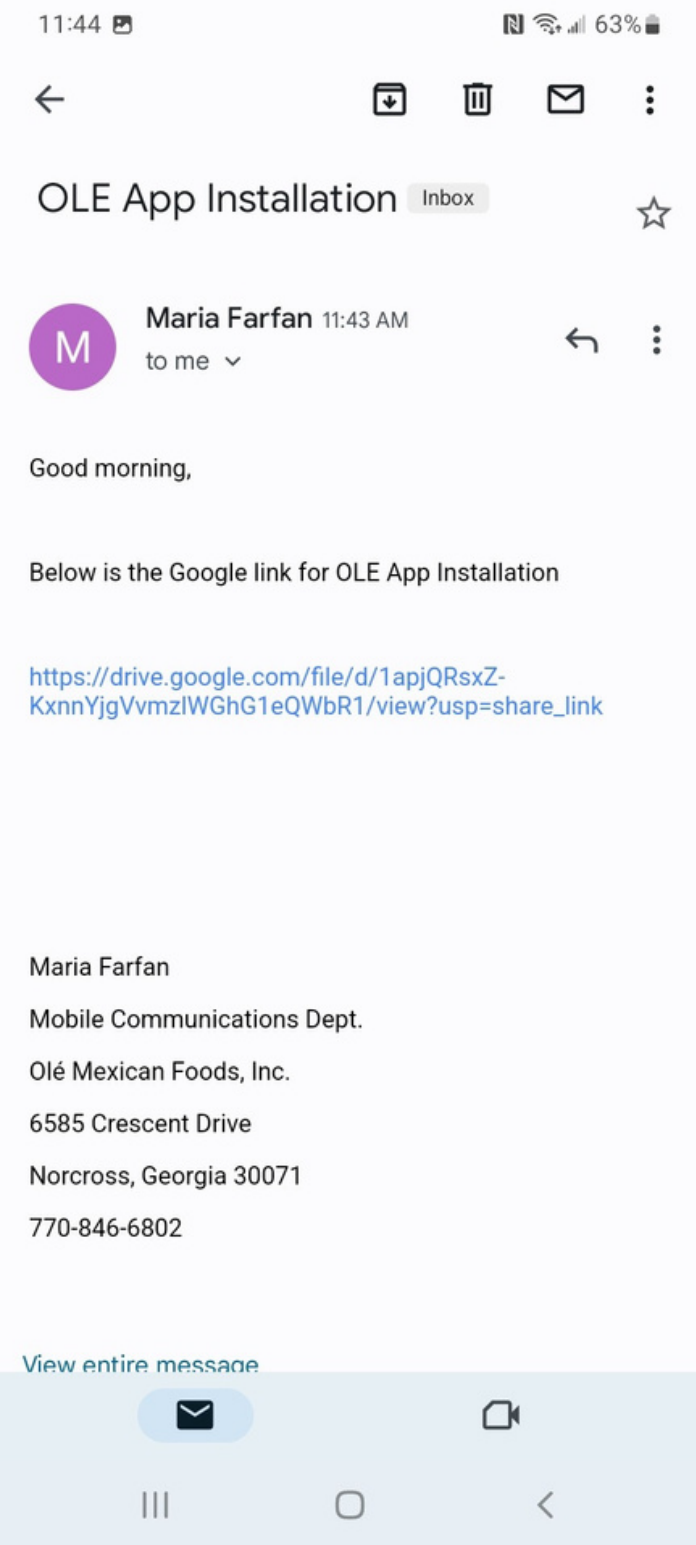

INSTALLATION

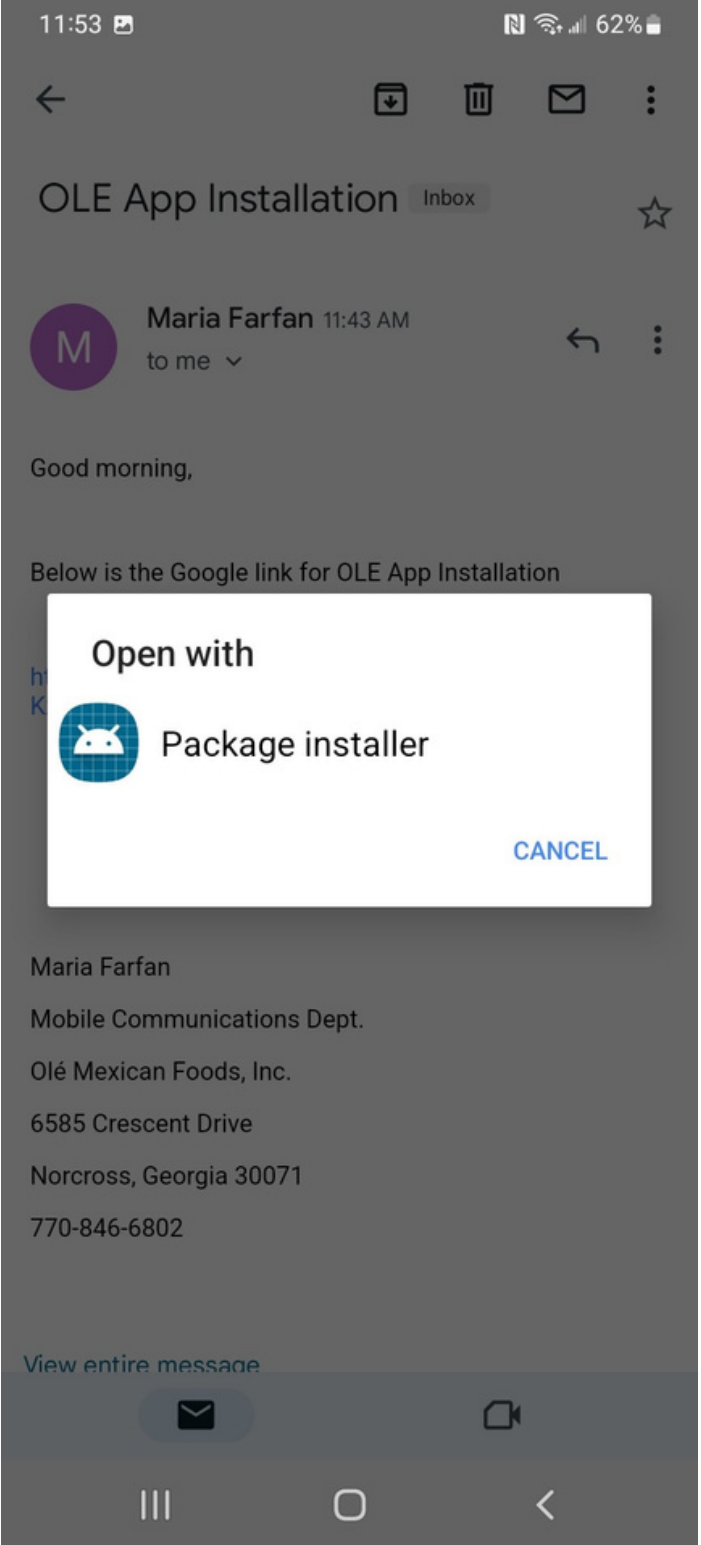

Open the installation email

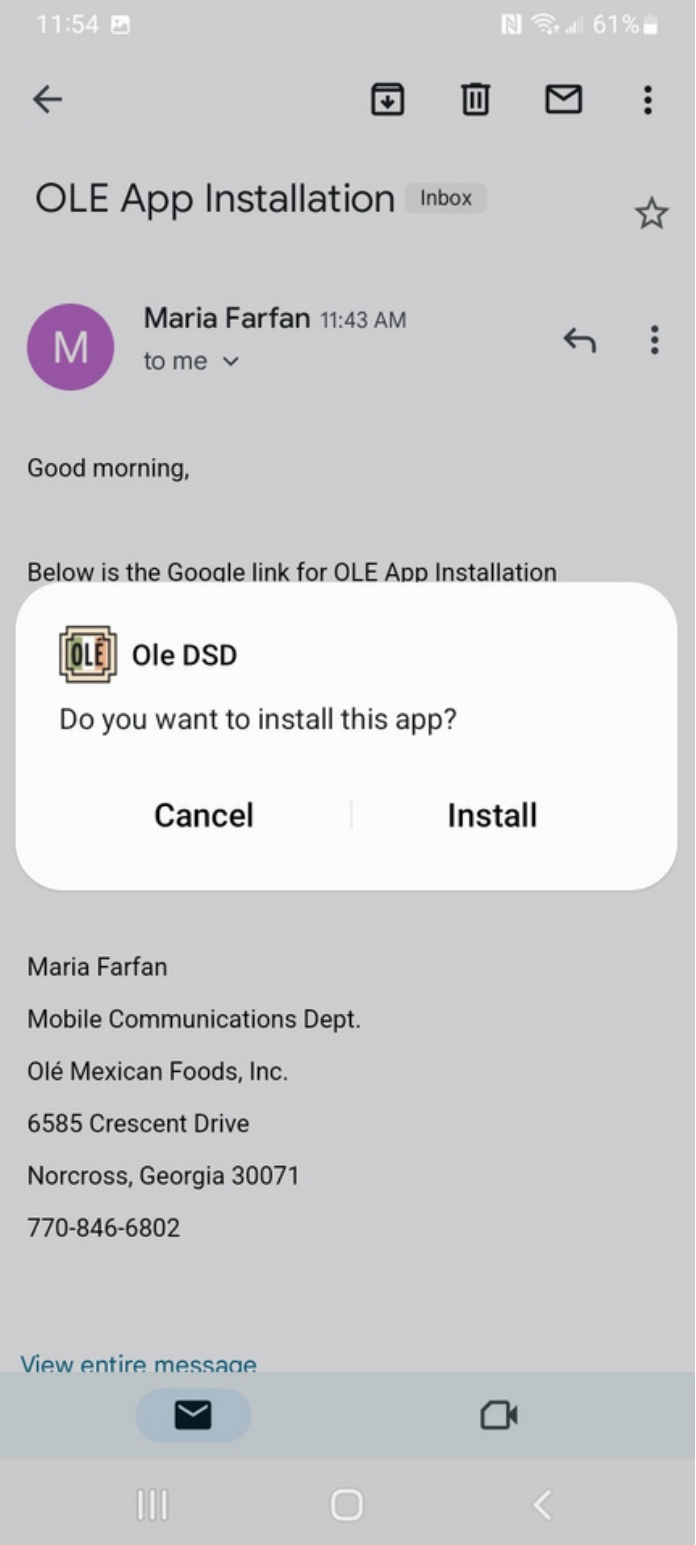

Click on the blue link

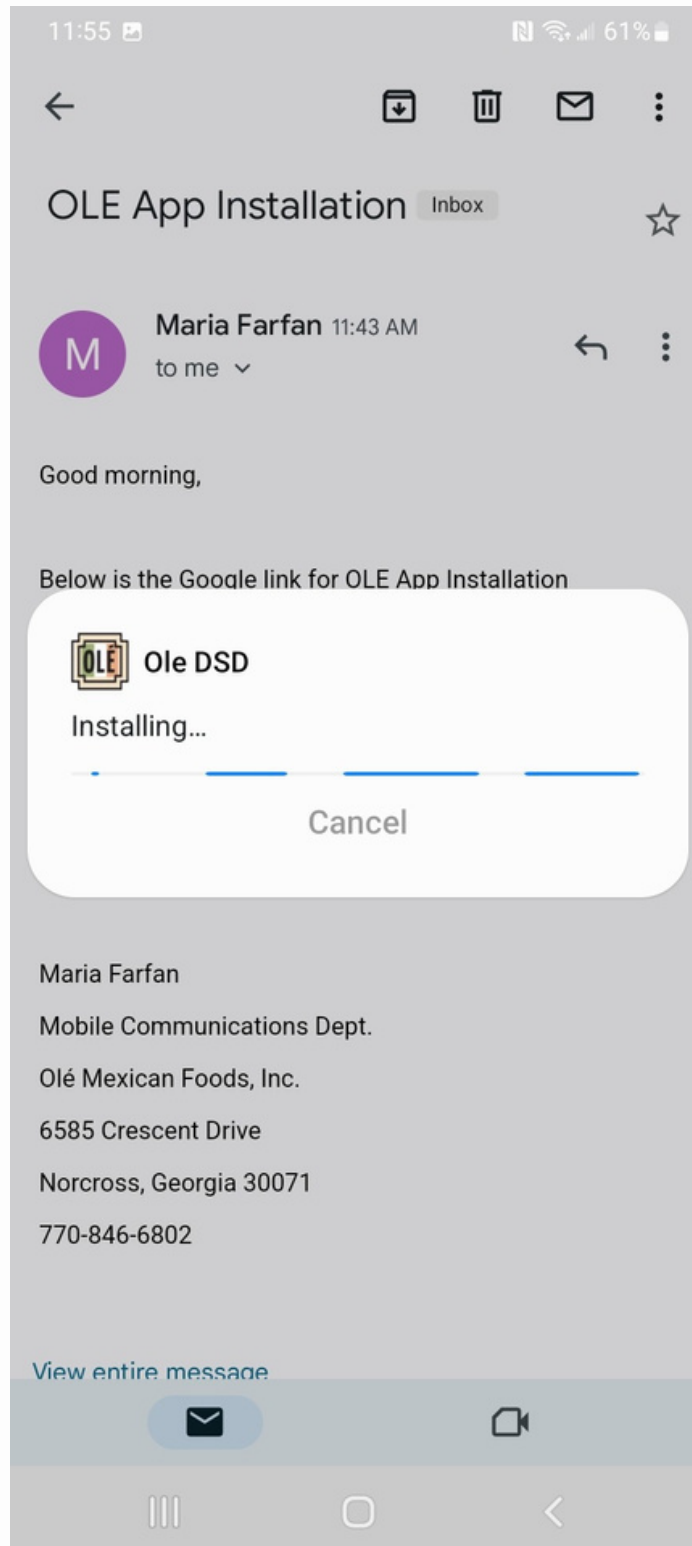

Choose Package Installer

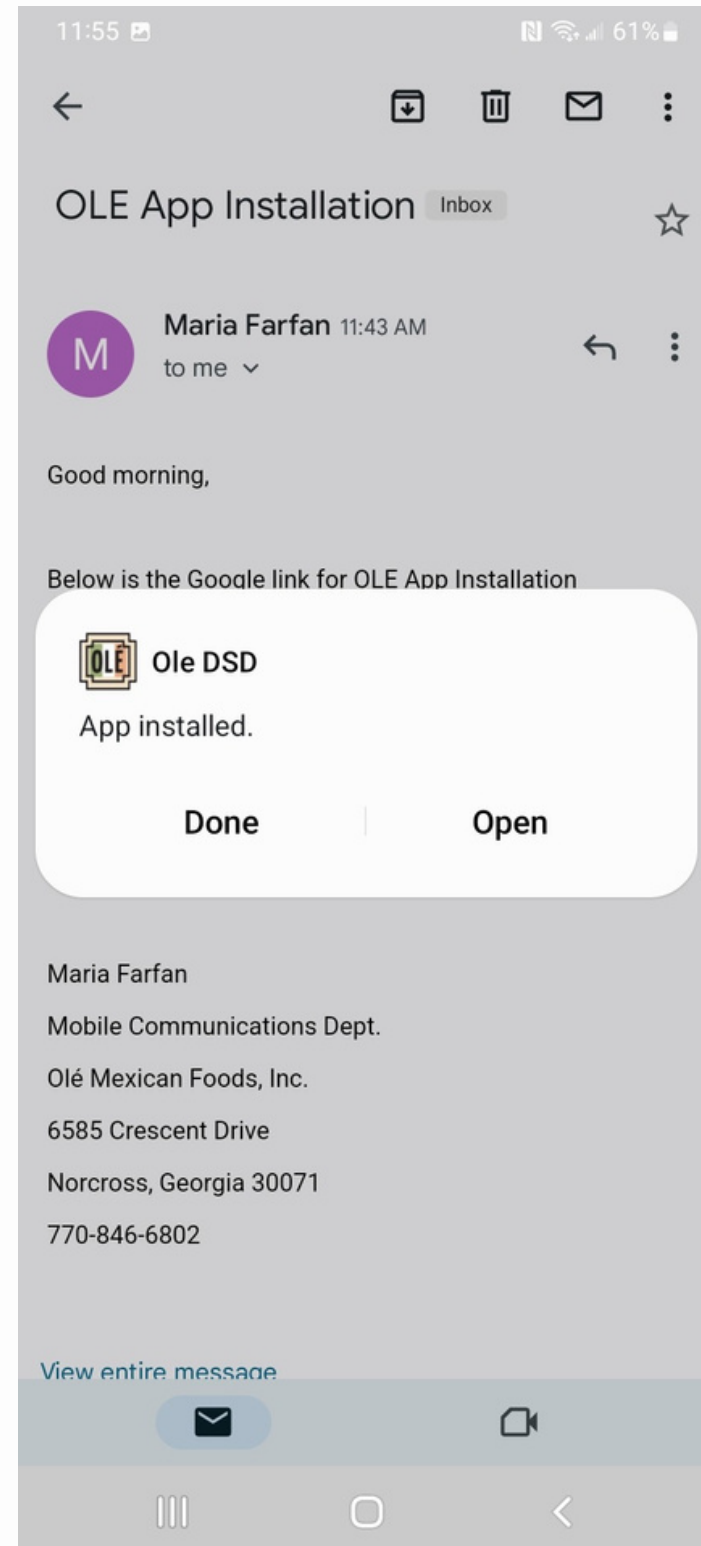

Click on "Install"

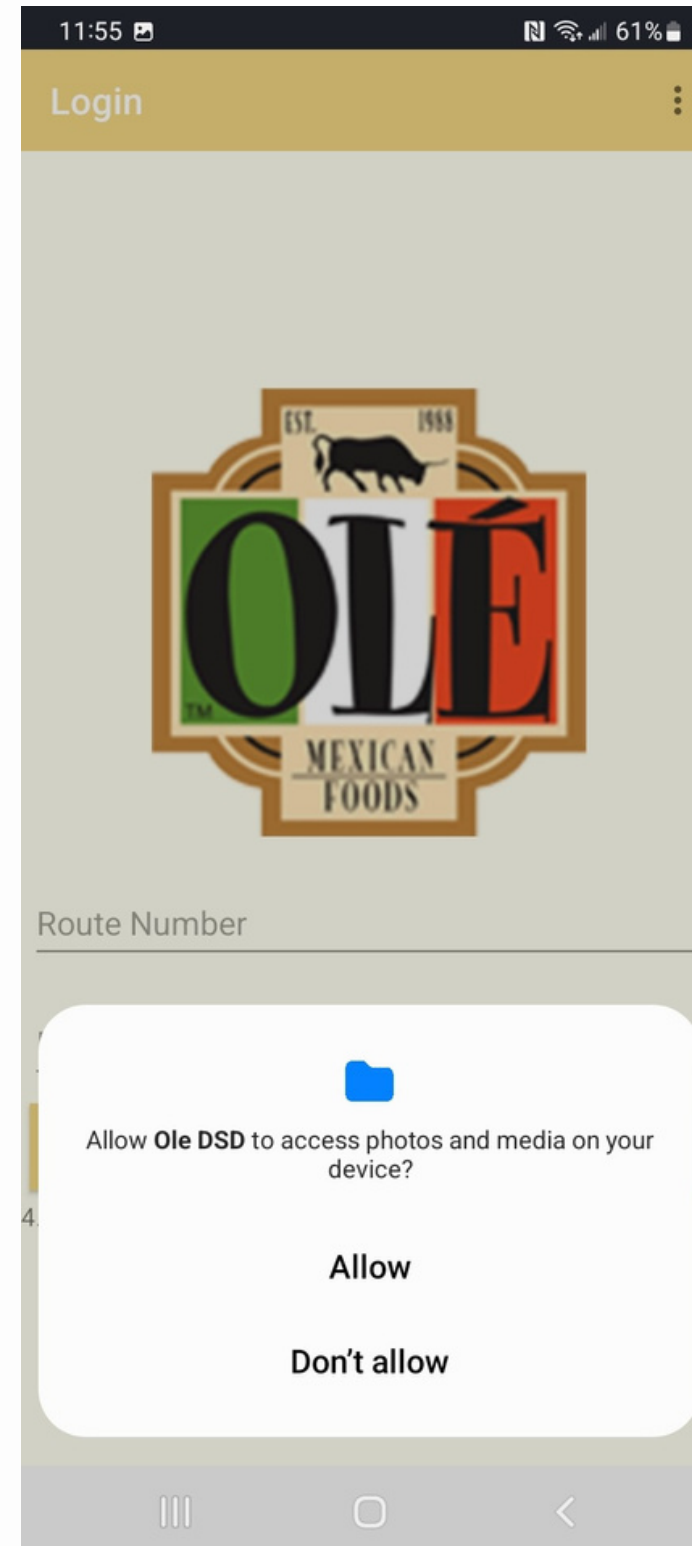

The app will start installing

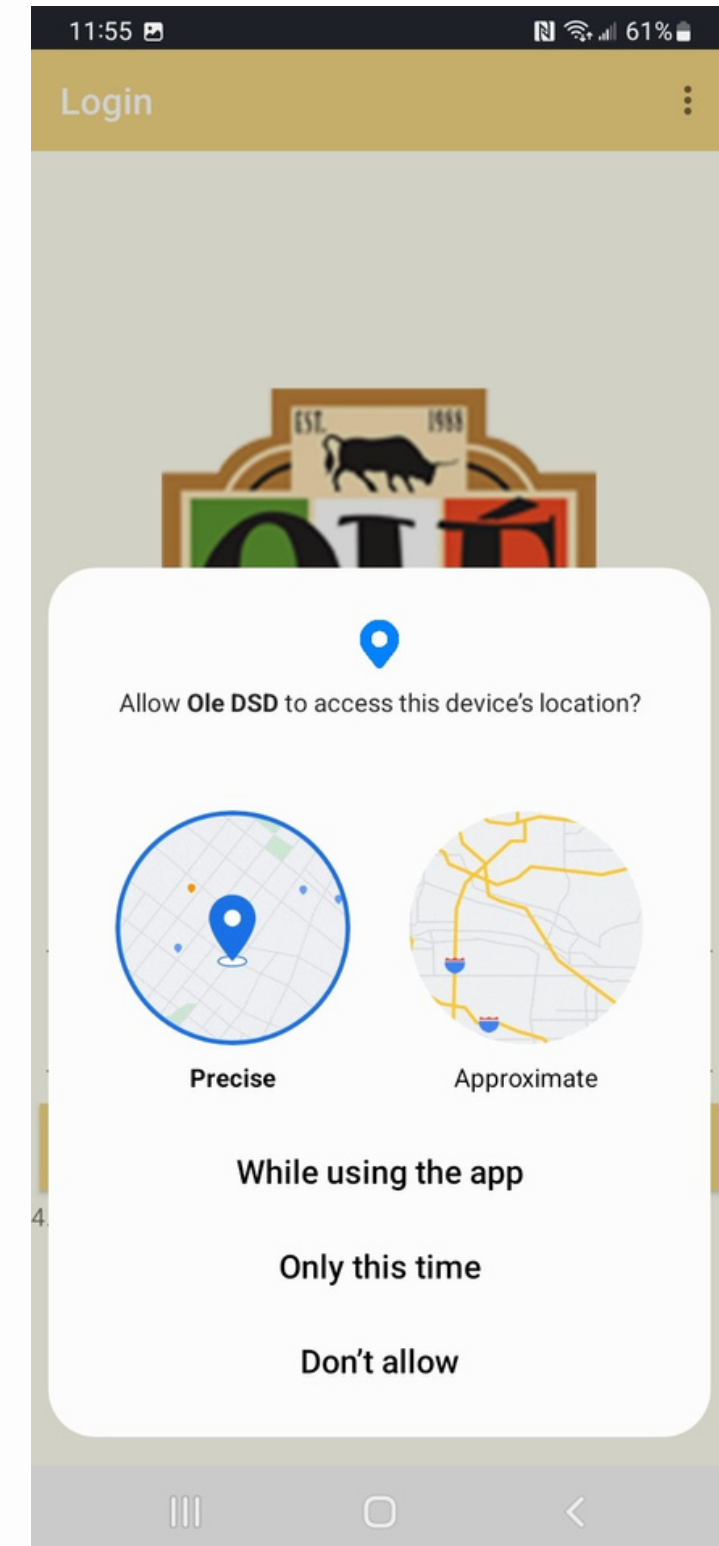

Once installed, it'll prompt this message. Click on Open

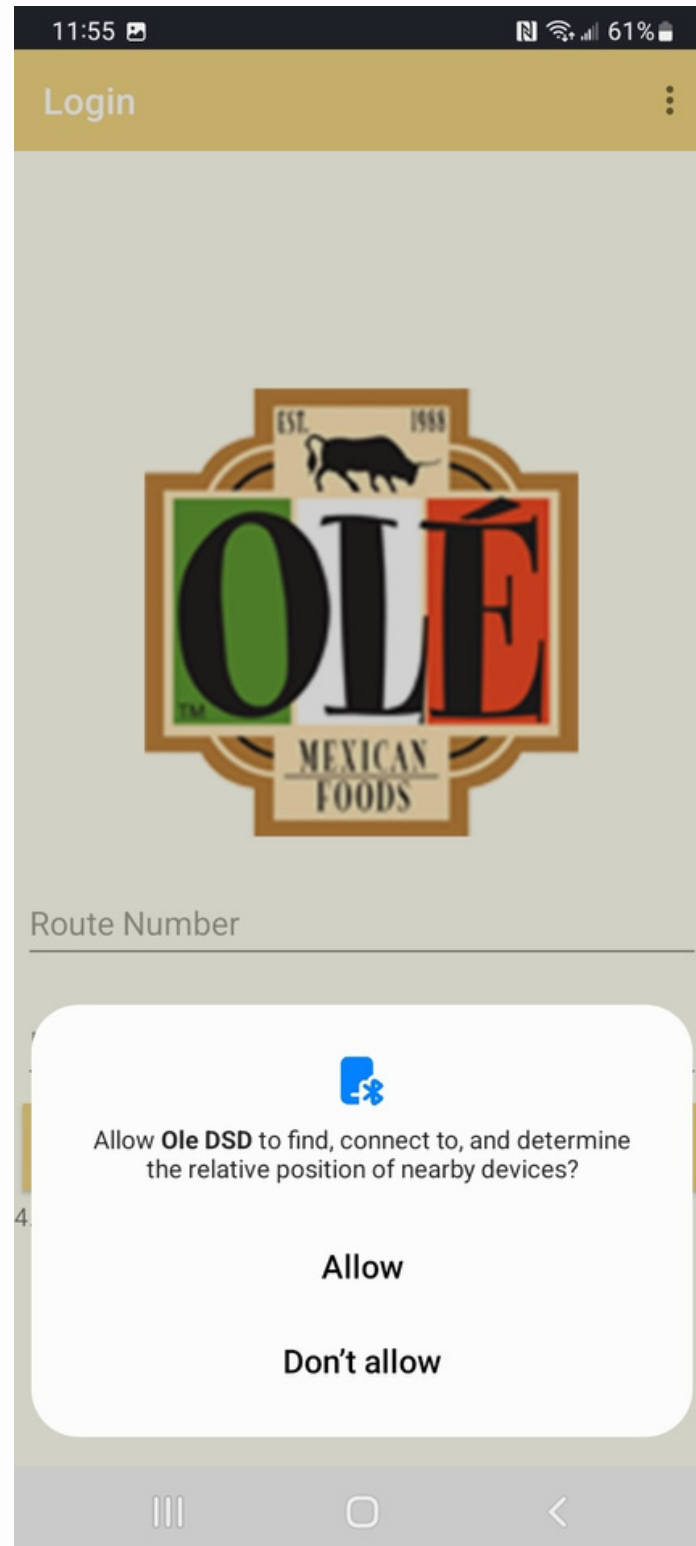

Tap "Allow"

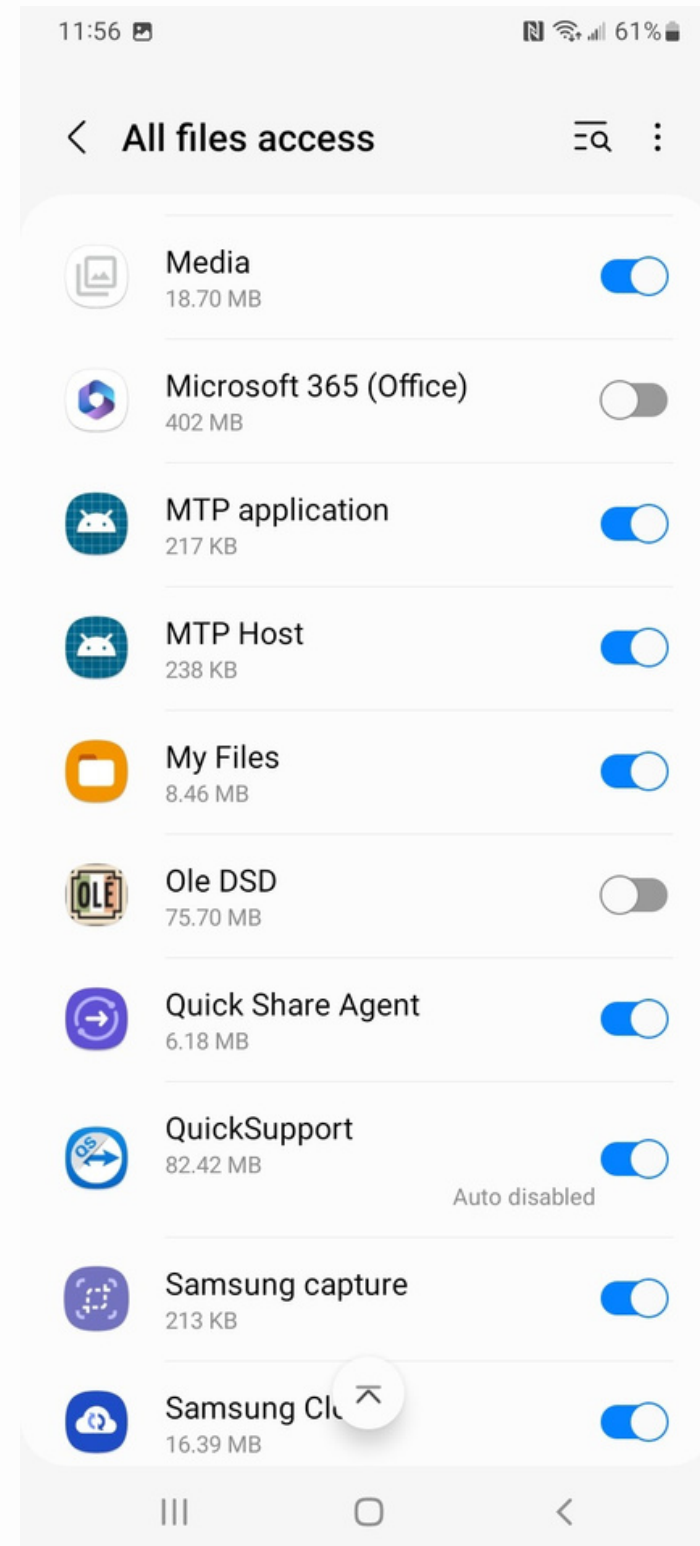

Tap "While using the app"

Tap "Allow"

Enable "OLE DSD"

Granting these permissions will allow the app to access the resources it needs to run smoothly.
